WHO WE ARE

BUILT TO ENDURE. DESIGNED TO INSPIRE.

Aadyaan Infrastructure Pvt. Ltd. was founded in 1999 by Mr. Taj Mohammed Ansari as a small fabrication outfit in Ghatkopar. Twenty-five years later we run complete civil and structural steel packages on residential towers, industrial plants, metro infrastructure and hospitality projects across Mumbai and beyond — keeping RCC civil work and structural steel under one accountable contractor, with in-house fabrication capacity and documented quality checks on every site.

01 25+ YEARS OF EXPERIENCE

Two and a half decades of reliable, cost-effective construction.

02 ADVANCED TECHNOLOGY

Modern fabrication equipment for precision, speed and strength.

03 TRANSPARENT COMMUNICATION

Clear project updates and direct client coordination.

04 QUALITY & SAFETY FIRST

Documented safety and quality checks at every stage.

WHAT WE DO

SEVEN DISCIPLINES, ONE ACCOUNTABLE CONTRACTOR

HEAVY STRUCTURE WORKS

Structural steel fabrication, heavy erection, pipe racks and equipment support structures.

ARCHITECTURAL STEEL WORKS

Staircases, facades, canopies and railings finished to architect's detail.

SKY WAYS & FOOT OVER BRIDGES

Elevated pedestrian walkways engineered for high footfall and monsoon.

INDUSTRIAL SHEDS

Factory sheds, warehouses and pre-engineered buildings built around your operation.

PIPE LINE WORKS

Industrial, water, gas and firefighting pipelines — fabricated, installed and tested.

TRANSIT CAMPS & CIVIL WORKS

Workforce camps plus RCC structures, foundations and site development.
